

DOCUMENT BOXES

Smart Presentation

Polypropylene boxes are.....
are a highly versatile and hard wearing alternative to a conventional box file. A4, A3 and A5 sizes are available – with or without a handle. Document boxes are perfect for enclosing information packs or for protecting and storing loose sheets; ideal for conference and training packs.

Business Card Holders

An ideal promotional gift, or simply a handy way of carrying your supply of business cards.

Board Reinforced vinyl boxes

Strong boxes make durable storage for loose papers or publications. They can either be over-printed or have encapsulated printed sheets to create a customised look.

Magazine Holders

Useful for archiving your back catalogue. Made from polypropylene or reinforced vinyl.

Ring binders and slip cases

Keeping a series of vinyl binders together in this way has great presentation value. The slip cases can be printed or hold encapsulated sheets for a quality finish.
