

## STATEMENT OF CONFORMITY

Smart Presentation

### **Packaging (Essential Requirements) Regulations 2015 (SI 2015/1640 (As amended))**

Duraweld confirms that to the best of its knowledge the products it uses complies with all amendments up to and including the Packaging (Essential Requirements) (Amendment) Regulations SI 2015/1640.

Our suppliers have responsibility for compliance with this legislation and are obligated to advise us if their products no longer meet requirements of the legislation.

If we are advised that products are not compliant, please be assured that alternatives will be sought to meet regulation compliancy.
